6. SHO at Oldchurch Hospital 1992-1993

## Qualifications

1. MBBS 1989
2. FRCOphth 1997
3. Refractive Surgery course at ESCRS 1998-1999 (certified)

## Experience and Training in Refractive Surgery

1. Over 6000 refractive procedures for myopia, hyperopia, astigmatism and Presbyopia since 1997.

Procedures used:

- i) Diamond Microsurgery
- ii) Phakic Lens Implant surgery – one of the first in the UK
- iii) Laser refractive surgery
- iv) Diode Thermokeratoplasty (as part of a research team led by Prof. Jean in Tübingen since 1998)
- v) Ciliary Sclerotomy (as part of a research team under Dr Spencer Thornton under FDA control) and the first UK course in ciliary sclerotomy

- vi) Conductive Keratoplasty
- vii) Corneal collagen crosslinking (CXL). First in the UK
- viii) Intacs
- ix) Cataracts and refractive lens exchange

- 2. Diamond Microsurgery – Assistant trainee since 1988 at LCRS. Three years training at only available and only international refractive surgery centre in the UK

Phakic Lens Implant Surgery – Assistant to Prof. D.P. Choyce (a founder of refractive surgery) 1990-1991  
 - Lens surgery courses with Mr E. Rosen (1998), Dr H. Gould (New York 1999), Dr R. Tagliabo (Milan 1999), Prof. J. Alio (Alicante) and Dr C. Kelman (2002)

Diode and Laser Thermokeratoplasty – Mr E. Rosen (1997), Prof. Jean (Tubingen 1997-2001)  
 Ciliary Sclerotomy – Dr S. Thornton and Dr J. Hays (2001) Conductive Keratoplasty (2003)  
 Intacs training (1999 and 2006)  
 Cataract/Refractive Lens Exchange (2006-2008 at LCRS and elsewhere)

### 3. **Teaching and Research Interests**

- 1. Faculty member of ASCRS (moderator, panellist and judge) since 1999
- 2. Teaching faculty member of ESCRS since 1999
- 3. Reviewer of articles for the Journal of Cataract and Refractive Surgery since 2001
- 4. Instrument designer for Duckworth and Kent
- 5. International surgical advisor and teacher for diamond Microsurgery, Diode Thermokeratoplasty and Phakic Lens Implants
- 6. Regular presenter of refractive surgery research papers at international meetings (ESCRS and ASCRS) since 1998 on RK, DTK, CK, CXL, Intacs, Multifocal lens implants

### **Continuing Medical Education**

I attend at least four major research meetings a year  
 I attend local and regional teaching meetings regularly  
 I present papers at international research meetings at least twice a year  
 Take part in the Compass CME system run by the American Academy of Ophthalmology

### **Societies**

- 1. Fellow of the Royal College of Ophthalmologists
- 2. Fellow of the Royal Society of Medicine
- 3. Fellow of the Medical Society of London
- 4. Teaching faculty member of the European Society of Cataract and Refractive Surgeons
- 5. Faculty member of the American Society of Cataract and Refractive Surgery
- 6. Member of UKISCRS
- 7. Member of the British Society of Refractive Surgeons
